

headspace GPs Wanted

headspace is the National Youth Mental Health Foundation providing early intervention mental health services to 12-25 year olds. **headspace** streamlined services focus on four core areas: mental health, physical health, work and study support and alcohol and other drug services.

headspace are currently looking for GP's who would like to provide session/s at our *Narre Warren* and *Dandenong* sites. You will be providing a range of health services to young people including:

- Physical health assessments;
- Sexual health assessments;
- Drug and alcohol assessments; and
- Developing mental health care plans

Benefits of working for headspace Narre Warren and headspace Dandenong:

- Flexible work days and hours scheduled around your commitments;
- Administrative support, including billing and appointment bookings;
- Work alongside a friendly and experienced multi-disciplinary team;
- Receive support from senior clinicians including psychiatrists; and
- Work in a new and modern facility;

If you would like to find out more about this opportunity please contact Nick Teo on **0434 338 078** or N.Teo@headspacedandenong.com.au. Alternatively, provide your personal details below and fax this form to us: **(03) 8738 9888**.
