Mindful headspace:

A Mindfulness Skills Based Group

Mindfulness is a great skill that can help build concentration and focus in all areas of life; whether it be at school, work, and relationships with family and friends. It can be done anywhere and anytime, but its not always easy to do, especially when stressed or anxious! This group helps young people learn to be mindful and experience the value of mindfulness!

Who: Young people between 12 and 25 years of age (parents and carers are welcome to join their young person!)

When: Every Thursday from 5pm to 6pm Please note: participants are NOT required to come every week, but are welcome to! The program runs every Thursday, rotating through 4 different mindfulness themes each week

Mind Full, or Mindful?

Weekly Sessions Include:

- Psycho-education
- In session exercises
- Collaborative learning (from facilitators and each other)
- Optional take home exercises

Who can join?

- Open to PARENTS and CARERS too! (please note young person must also attend group)
- This program is for anyone wanting to know how to be more engaged in their lives and to help manage strong emotions
- No current suicide ideation or behaviours, PTSD, Psychosis or crisis
- Drop in program (you do not need to come each week– come when you can!)

When: School terms. 1st session for 2016:
Thurs 4th Feb 5pm-6pm
