

# Employment opportunities

**headspace** Nundah is auspiced by Aftercare who manage the federal funding and employ salaried staff. We have a small team of salaried staff with a low turnover, however if you want to check if we have any of the below positions available, please check [www.seek.com.au](http://www.seek.com.au) or <http://aftercarecareers.nga.net.au/cp/>

- Administrative staff
- Management positions
- Intake Clinician
- Community Development Coordinator

## Contracting Private Practitioners

**headspace** Nundah contracts passionate Mental Health Clinicians who are interested in working with young people. The headspace model relies on the Medicare Better Access Initiative, so interested parties must be able to obtain a Medicare Provider number. If you believe you meet the criteria below and are interested in joining our team, please send an email to the Service Manager [Casey.Mcdonald@aftercare.com.au](mailto:Casey.Mcdonald@aftercare.com.au) and cc; to [Headspace.Nundah@aftercare.com.au](mailto:Headspace.Nundah@aftercare.com.au). If we do not have any vacancies at the time of your email, we can place you on a list to be contacted when opportunities arise. Please note that enquiries for employment that do not meet the criteria below may not be responded to.

### Essential Criteria

- Must be able to obtain Medicare Provider number, therefore the following professions are appropriate:
  - Clinical Psychologists
  - General Psychologists
  - Social Workers (**must** be mental health accredited)
  - Occupational Therapists (**must** be mental health accredited)
- Minimum 2 years' experience providing evidence based therapeutic interventions to young people (12-25)

### Desirable criteria

- Experience working in a private practice setting
- Experience working with a wide range of mild to more complex presenting problems

**Please note: Expressions of interest that do not meet the above criteria will not be responded to.**
