

Volunteer Information

As part of National Youth Week, **headspace** Cairns in conjunction with Cairns Regional Council and PCYC will be holding a **re:GENERATION Festival** featuring The Block Party. The festival will feature young performers, artists and musicians; youth and community service stalls, competitions and lots of activities.

The theme for the event is “Be the Future”. The aim of the festival is to promote both young people's current contribution to community and cultural life in Cairns and surrounding communities, but also to provide walk through patrons with information about opportunities for young people to engage in a range of cultural, sporting and other opportunities in the region.

There is a lot that happens behind the scenes to make this event possible and we are calling out for volunteers to help make this a successful and safe event.

There are multiple volunteer opportunities required on the day including:

- **Coordinate and assist site holders**
 - Direct site holders during set up and pack down
 - Float between site holders during the event to provide support in any way needed
 - Ensure that the grounds and toilets remain clean and tidy through the festival
 - Help and encourage public to engage with site holders
- **Assist with coordination of the main stage**
 - Provide support to stage technicians
 - Coordinate and support performers on the main stage

In exchange for your time and support, re:GENERATION Festival volunteers will:

- Meet new people and become an essential member of the re:GENERATION Festival Team
- Gain skills and training in specific areas that you can be recognised for,
- Enjoy the re:GENERATION Festival in greater depth
- Most importantly, have a great time!

If you would like to register as a volunteer please complete the attached form and email it to info@headspacecairns.roq.au
