Miss Representation

Written and directed by Jennifer Siebel Newsom, *Miss Representation* exposes how mainstream media and culture contribute to the under-representation of women in positions of power and influence.

The film draws back a curtain to reveal a glaring reality we live with every day but fail to see – how the media's limited and often disparaging portrayals of women and girls makes it difficult for women to feel powerful and achieve leadership positions. Features stories from teenage girls and provocative interviews with politicians, journalists, entertainers, activists, and academics, like Rosario Dawson, Gloria Steinem, Margaret Cho, Condoleezza Rice, Rachel Maddow, and Nancy Pelosi.

Everyone is welcome regardless of sex or gender, this is a transinclusive event. Snacks & crafts provided. Call 5509 5900 to register your interest! #iwd2016
