headspace Party in the Park

headspace is the National Youth Mental Health Foundation. We help young people between the ages of 12-25 who may be going through a tough time.

headspace has recently opened in Griffith and to celebrate the opening we are holding a **FREE BBQ in Memorial Park.**

We'd like to invite the community of Griffith to come down to the park to meet our friendly staff and find out more about headspace.

We will have a free sausage sizzle, live music and goodie bags to give away!

For more information you can visit our website @ www.headspace.org.au/griffith

or our Facebook page @ www.facebook.com/headspacegriffith

Wet weather information will be advised by 11am on our website.
